

The World Federation for NeuroRehabilitation (WFNR) warmly invites you to join the 14th World Congress for Neurorehabilitation (WCNR 2026) in Daegu, Republic of Korea, from 14 to 17 October 2026

WCNR 2026 will bring together leading experts, clinicians, therapists, and researchers from around the world to share the latest advances in neurorehabilitation, technology, and clinical practice.

This unique multidisciplinary forum will feature:

- Outstanding plenary speakers and international faculty
- Cutting-edge symposia, workshops, and poster sessions
- Global networking opportunities across disciplines
- An industrial exhibition showcasing innovative technologies and products

Join us in Daegu – a vibrant city where tradition meets innovation – to exchange ideas, foster collaboration, and shape the future of neurorehabilitation.
